

Van & Carol Voorhees Scholarship

This scholarship is dedicated to our loving parents Van & Carol Voorhees. Van and Carol Voorhees have been active at Princess Anne High School for almost *30 years* as the parents of seven children, **ALL** of whom graduated from Princess Anne High School, as enthusiastic fans on the sidelines and in the bleachers at endless sporting events, and as a teacher, Carol has taught math and inspired students for the past 15+ years in both the main campus and at the Princess Anne Center. This scholarship is to honor the time and talents that both Van and Carol have dedicated to Princess Anne High School and to serve as an encouragement for high school students to reach for their dreams.
